

Dr Katie Newby

Curriculum Vitae

 07999885887

 <https://www.katienewby.com>

 k.newby@herts.ac.uk

 School of Life and Medical Sciences, University of Hertfordshire, College Lane, Hatfield, AL10 9AB

DEGREES AND PROFESSIONAL QUALIFICATIONS

PhD Health Psychology, Coventry University, 2013

MSc Health Psychology (Distinction), Coventry University, 2001-2002

BSc (Hons) Psychology (2.1), University of Liverpool, 1995-1998

POSTS HELD

Associate Professor, University of Hertfordshire, 2019-present

Associate Professor, Coventry University, 2016-2019

Research Fellow, Coventry University, 2011-2016

Senior Research Assistant, Coventry University, 2005-2011

Research Assistant, Coventry University, 2002-2005

MEMBERSHIP OF PROFESSIONAL BODIES

Health Professions and Care Council (HCPC) registered Practitioner Psychologist (Reg. No. PYL26688)

British Psychological Society (BPS) Chartered Psychologist (Reg. No. 668989)

Full member of the Division of Health Psychology, BPS

Member of the European Health Psychology Society

Member of the UK Society for Behavioral Medicine (UKSBM)

Associate Fellow of the Higher Education Academy (AFHEA) (PR273851)

INVITED SPEAKER
PRESENTATIONS AND
KEYNOTES

Invited seminar	Behavioural Science and Insights Unit (BSIU), UK Health Security Agency	Embedding Behavioural Science in PHIRST projects	April 2024
Invited seminar	Behavioural Science and Public Health Network	Evaluation of Welsh National Exercise Referral Scheme (NERS)	March 2024
Invited seminar	King's College London, Research Seminar Series	Recognising multi-level influences on sexual health	January 2024
Masterclass	Public Health Connect Strategy Group (University of Hertfordshire and Hertfordshire Public Health partnership)	Condom use: what does research evidence tell us about this behaviour and how to change it?	2023
Invited seminar	NIHR PHIRST seminar: Capacity building in collaboration with local authorities	Training Welsh National Exercise Referral Scheme (NERS) service coordinators in qualitative methodology: an exemplar of capacity building by PHIRST connect	2022
Invited presentation ★	International meeting on STIs organised jointly by World Health Organization (WHO) and the University of Verona	Sexual health behaviour change interventions: what works for adolescents?	2019
Keynote speech	Midlands Health Psychology Network Conference	Digital intervention development and evaluation: developing our methods and evidence base	2018
Invited presentation	West Midlands Health Informatics Network, University of Warwick	Wrapped: Development and specification of an intervention to increase condom use amongst young people accessing chlamydia self-testing	2017

Invited presentation	West Midlands Health Informatics Network, University of Warwick	Wrapped: Development and specification of an intervention to increase condom use amongst young people accessing chlamydia self-testing websites	2017
Invited presentation ★	European Centre for Disease Prevention and Control (ECDC) Expert Meeting: STI/HIV Prevention among Youth in Europe using social media	You're Welcome: The power of social media to increase the uptake of sexual health services	2017
Invited presentation ★	World Health Organization (WHO) Technical Consultation on Brief Sexuality Related Communication (BSC); Russia	Wrapped: an intervention to increase condom use amongst young internet STI self-testers	2017
Invited presentation ★	World Health Organization (WHO) Technical Consultation on Brief Sexuality Related Communication (BSC); Switzerland	Development and specification of an intervention to increase condom use amongst young people accessing chlamydia self-testing websites	2016
Invited seminar	Keele University	Developing health behaviour change interventions: Some examples from the field of sexual health	2014

OTHER ESTEEM INDICATORS

- 2022 ★ Track chair for European Health Psychology annual conference (theme: digital health)
- 2022 ★ Guest editor of special issue of the European Health Psychologist: Digital Health and Computer-Tailoring: Opportunities and Challenges in Moving the Field Forward – issue available here
- 2018 Track chair for Centre for Behaviour Change Conference (theme: adolescent health)

- 2016-2017
★ Contribution to World Health Organization (WHO) Department for Reproductive Health Research (RHR) research team meetings on the development a brief sexuality-related communication: Budapest (September 2016), Geneva (December 2016), Moscow (June 2017)
- 2017
★ Contribution to European Centre for Disease Prevention and Control (ECDC) Handbook for public health programme managers: Utilising social media for HIV/STI prevention programmes among young people – technical report available [here](#)
- 2017
★ Session chair ‘Sexuality Education: approaches for specific target groups and settings’ at German Federal Centre for Health Education (BZgA) technical conference on sexuality education in the WHO European Region

PROFESSIONAL ACTIVITIES

- 2023-present
★ World Health Organization (WHO) Sexual and Reproductive Health Research Project Review Panel (RP2) member
- 2023-present Review Editor Frontiers in Digital Health (Lifestyle and Behavior speciality section)
- 2019-2022 Member of the NIHR Research for Patient Benefit (RfPB) funding committee
- 2014-2016 Reviews Editor for Sex Education
- 2011-2014 Sub-editor for professional issues of Health Psychology Update (HPU)
- 2013-2015 Member of the faculty ethics committee (Health and Life Sciences, Coventry University)

Reviewer for: NIHR funding applications, British Journal of health Psychology, Psychology and Health, Reproductive Health, Sex Education, International Journal of Behavioural Medicine, Journal of Medical Internet Research (JMIR), the International Journal of STDs and AIDS, and Women’s Health, AIDS and Behaviour, BMC Public Health, Sexually Transmitted Infections

EXAMINERSHIPS

Helen Munroe-Wilde	PhD	University of Hertfordshire	Internal	2024
Liam Blackwell	PhD	University of Hertfordshire	Internal	2023
Catherine Grimley	PhD	Coventry University	Internal	2019
Claire Badger	MRES	Coventry University	Internal	2018
Helen Fletcher	MRES	Coventry University	Internal	2014

SUPERVISION OF RESEARCH DEGREES

Kayleigh Kwah	PhD	University of Hertfordshire	Primary supervisor	Current (PT)
Lauren Schumacher	PhD	University of Hertfordshire	Primary supervisor	Current (PT)
Sabrina Pilav	DClin taught doctorate	University of Hertfordshire	Primary supervisor	Current (FT)
Susan Gibson	PhD	University of Hertfordshire	2 nd supervisor	Current (FT)
Hannah Allcott-Watson	PhD	University of Hertfordshire	3 rd supervisor	Completed 2024
Yvonne Milton	PhD	Coventry University	Primary supervisor	Completed 2022
Mayra Mobeen	PhD	Coventry University	3 rd supervisor	Completed 2020
Isher Kehal	PhD	Coventry University	2 nd supervisor	Completed 2019
Joanne Parsons	PhD	Coventry University	Primary supervisor	Completed 2018

Stefanie Williams	PhD	Coventry University	Primary supervisor	Completed 2015
-------------------	-----	---------------------	--------------------	----------------

OTHER TEACHING / SUPERVISION

Health Psychology module (BSc Psychology)	University of Hertfordshire	Deliver lectures on sexual health and behaviour change (and associated marking, unseen exam)	2022-present
Culture and Psychology (BSc Psychology)	University of Hertfordshire	Moderator	2021-present
Work experience module (BSc Psychology)	University of Hertfordshire	Supervise ~four students per year and examine (viva)	2020-present
Project supervision (BSc Psychology)	University of Hertfordshire	Supervise ~four students per year	2021-present
Project supervision (MSc Psychology Conversion)	University of Hertfordshire	Supervise ~four students per year	2019-present
Health Psychology module (BSc Psychology)	Coventry University	Guest lecturer – sexual health and health promotion	2004-2005
Project supervision (BSc Psychology)	Coventry University	Supervised three students	2004 and 2009
Health Psychology module (BSc Psychology)	Coventry University	Module leader including delivery of six lectures and six seminars	2003-2004

RESEARCH GRANTS / SPONSORED CONSULTANCY

Funding body	Title	Year awarded	Grant holders	Amount of grant
National Institute for Health and Care Research (NIHR)	Reducing sexually transmitted infections amongst those at highest risk: The Wrapped randomised controlled trial	2024	Newby, K. , Brown, K., Jackson, L., Crutzen, R., Bremner, S., Brady, L-M., Clune, M., Bailey, J., Leo, K., & Broderick, T.	£2,622,697
National Institute for Health and Care Research (NIHR)	Public Health Responsive Studies Team (PHIRST).	2020	Brown, K., Wills, W., Done, J., Wellsted, D., Wilson, E., Breslin, G., Newby, K. , Howlett, N., Bartington, S., McAllister, A.	£2,472,231
National Institute for Health and Care Research (NIHR)	An interactive digital behaviour change intervention (Wrapped) to decrease incidence of sexually transmitted infections (STIs) amongst users of STI self-sampling websites: A randomised controlled feasibility trial.	2019	Newby, K. , Brown, K., Crutzen, R., Bailey, J., Jackson, L., & Bremner, S.	£480,249
National Institute for Health and Care Research (NIHR)	Evaluating the Home-based Intervention Strategy (HIS-UK) to reduce new chlamydia infection among young men aged 16-25 years by promoting correct and consistent condom use: What is the cost effectiveness of two different delivery models (face-to-face and digital delivery)?	2018	Graham, C., Stone, N., Morrison, L., Jackson, L., Bailey, J., McGrath, N., Nadarzynski, T., Bremner, S., Richardson, D., Goldmeier, D., Brown, K., Newby., K. , Nation, R.	£1,432,000
National Institute for Health and Care Research (NIHR)	A randomised controlled feasibility trial of a tailored digital behaviour change intervention with e-referral system to increase attendance at NHS Stop Smoking Services: The StopApp.	2018	Brown K. E., Fulton, E., (co-PIs), Newby, K. , Kwah, K., Gokal, K., Sparks, T., Jackson, L., Naughton, F., & Coleman, T.	£301,000
Medical Research Council (MRC)	Feasibility study of the Home-based Exercise for Responsible Sex (HERS) intervention to promote correct and consistent condom use among young women.	2018	Graham, C., Ingham, R., Stone, N., Brown., K. & Newby, K.	£145,454

RESEARCH GRANTS / SPONSORED CONSULTANCY

Funding body	Title	Year awarded	Grant holders	Amount of grant
Canadian Institute of Health Research ★	Tushirikiane (Supporting Each Other): Development, Implementation and Evaluation of Novel HIV Self-Testing Delivery Approaches with Urban Displaced and Refugee Adolescent Girls in Uganda	2018	Logie, C., Ahmed, U., Baral, S., Daniel, C., Lacombe-Duncan, A., Lester, R., Marcus, N., Mwima, S., Newby, K. , Okumu, M., Perez-Brumer, A., Stephenson, R.	\$455,175
Medical Research Council (MRC)	V-Engage - Using Virtual Reality exergaming to engage adolescents with physical activity.		Fisher, A., Steptoe, A., Potts, H., Newby, K. , and Smith, L.	£149,200
Coventry University early career research scheme, Pump-priming Award	What is the best way to promote self-efficacy using digital interventions? A systematic review with meta-analysis	2016	Newby, K. , Williams, S., Dusseldorp, E., & Cooke, R.	£9860
Warwickshire County Council	Development of a digital animation to change pregnant women's beliefs about the risk of influenza and the influenza vaccine	2016	Parsons, J., & Newby, K.	£7,000
Coventry University early career research scheme, Pump-priming Award	The use of invalid tests to examine the relationship between risk appraisal and health behaviour: A systematic review	2016	Newby, K. , French, D.P., and Weinstein, N.	£8280
Medical Research Council (MRC)	Development of a digital intervention to increase condom use amongst those self-testing for Chlamydia	2016	Newby, K. , Bailey, J., Crutzen, R., Brown, K., Szczepura, A., Hunt, J., Alston, T., Lowndes, C., Sadiq, T., Das, S.	£144,973
Warwickshire County Council	Developing a new framework for communicating risk about acute illnesses: A study to explore how mothers appraise the risk of flu to their children	2015	Newby, K.	£2280
Cancer Research UK	Inner Selfie: Examining the feasibility and acceptability of	2015	Fisher, A., Newby, K. , Miesel, S., Cook, C., Fisher, B., & Webb, T.	£20,000

RESEARCH GRANTS / SPONSORED CONSULTANCY

Funding body	Title	Year awarded	Grant holders	Amount of grant
	changing cancer-related risk perceptions using virtual reality			
Medical Research Council (MRC)	Feasibility study of the Kinsey Institute Homework Intervention (KIHISUK) to promote correct and consistent condom use	2015	Graham, C., Ingham, R., Stone, N., Newby, K. & Brown, K.	£150,000
Coventry City Council	Health checks for vulnerable groups project	2014	Pearce, G., & Newby, K.	£10,000
Warwickshire County Council and Coventry City Council	Study to inform Warwickshire County Council and Coventry City Council's 2014-15 flu campaign	2014	Newby, K.	£8,000
Warwickshire County Council	Evaluation of Spring Fever: a relationships and sex education programme for primary school children	2013	Newby, K. and Brown, K	£9,000
Royal Borough of Kingston-Upon-Thames Council	Risky Health Behaviour Needs Assessment	2013	Sewell, A. and Newby, K.	£21,000
West Midlands South Health Education and Innovation Cluster (HIEC)	Development of a smart phone application (app) to increase access to and uptake of sexual health services across Coventry and Warwickshire	2011	Brown, K., Newby, K. and Bayley, J.	£34,000
Internal Coventry University funding	Increasing young adults' condom use intentions and behaviour through changing chlamydia risk and coping appraisals: a cluster randomised controlled trial of efficacy	2011	Newby, K. , French, D.P., Brown, K.E., Lecky, D.	£2,700
Warwickshire County Council	Review of relationships and sex education across Warwickshire schools	2010	Sewell, A. Newby, K. , Jones, L.	£10,000
Coventry NHS	Young people's aspirations research project	2010	Newby, K.	£50,000
West Midlands South Health Education and Innovation Cluster (HIEC)	Feedback, evaluation and revision of the parents' sexual health game	2010	Bayley, J., Brown, K., Newby, K. and Wallace, L.	£17,000

RESEARCH GRANTS / SPONSORED CONSULTANCY

Funding body	Title	Year awarded	Grant holders	Amount of grant
West Midlands South Health Education and Innovation Cluster (HIEC)	School based sex and relationships game	2010	Brown, K., Wallace, L., Bayley, J., Newby, K. , Choudry, K.	£70,000
Knowledge Transfer Enterprise Grant; and Health Protection Agency	Development of a theory- and evidence-based Sex and Relationships lesson on Chlamydia for 13-16 year olds	2010	Newby, K.	£9,000
Government Office West Midlands	Regional project to research rates of under-16 conceptions in the West Midlands	2009	Bayley, J, Newby, K.	£19,995
British Academy	A study to assess the need for and the feasibility of an intervention to increase the quantity and quality of sexual and reproductive health education provided by parents to their daughters with type 1 diabetic mellitus	2008	Wallace, LM, Newby, K.	£7,413
Coventry teaching Primary Care Trust	Training needs assessment of sexual health workforce in Coventry	2008	Thunhurst, B., Newby, K. , Kingswell, S., Wallace, L.M.	£20,000
Thomas Pocklington Trust	Consultancy on training needs survey	2008	Wallace, L.M., Newby, K. , Bayley, J., Bryce, C.	£3,500
British Academy	Assessing the need for and the feasibility of an intervention to reduce drop-out of young people from diabetes care during the transition period from paediatric to adult services	2008	Edmunds, J., Chesters, S., Newby, K.	£7369
Warwickshire Primary Care Trust	Feasibility and beta-testing of a volitional intervention for patient benefit in sexual healthcare settings: Implementation intentions applied to contraceptive pill and condom use in adolescents	2008	Brown K., Bayley J., Newby K. , Wallace L.M.	£24,887

RESEARCH GRANTS / SPONSORED CONSULTANCY

Funding body	Title	Year awarded	Grant holders	Amount of grant
Applied Research Fellow award, Coventry University	Development of two complementary interventions to provide pre-pregnancy education to girls with T1 diabetes mellitus		Newby, K.	£6,697
Coventry Primary Care Trust Small Grants Scheme	Development of a questionnaire to test the utility of an expanded TpB model in predicting young adults' intentions to use condoms to protect against chlamydia	2005	Newby, K., Allen, S., Wallace, L.M	£3,000
Coventry Primary Care Trust	Development of a training package to help parents talk to their children about sex	2004	Newby, K., Bayley, J., Wallace, LM.	£9,000
Coventry University Small Research Grants scheme	Exploring Young Men's' Intentions to use Condoms to Protect against Chlamydia	2004	Newby, K., Wallace LM.	£3,000
Coventry Primary Care Trust Small Grants Scheme	Exploring Intentions to Use Condoms Among Populations most at risk of Chlamydia	2003	Newby, K., Wallace LM.	£3,000
